

Roger Crawford is a living example that all of us have the capacity to achieve great success, despite the obstacles.

Although physically challenged, he was an award winning NCAA Division One college athlete and has been inducted into three different halls of fame. You may have seen Roger on Larry King Live, Good Morning America and CNBC ...and in publications such as USA Today, Sports Illustrated and Tennis magazine.

His story was included in the original best selling book, *Chicken Soup for the Soul*...and he was featured in the Emmy Award winning movie, *In a New Light*.

Roger's autobiography, *Playing From The Heart*, has inspired people throughout the world. His most recent book, *THINK AGAIN! Discover Possibilities Hidden in Plain Sight* was released June 2007.

Please help me welcome, a recognized champion on and off the tennis court, Roger Crawford!
